

Monday 11<sup>th</sup> December

Dear Parents,

I am a specialist music teacher and have been enjoying teaching at the school since September. Over the past few weeks, I have met lots of pupils who I think have a keen interest in music and I would therefore like to offer the opportunity of instrumental lessons in piano or clarinet (I have 2 clarinets available to hire) or singing lessons- ***the lessons would make a brilliant Christmas present!***

The lessons will be charged at £10 on a 1:1 basis, with each lesson lasting for 20 minutes. However, if interest is high and lots of pupils would like to have lessons, a maximum of two pupils will share the 20 minute lesson and will therefore be £5 per pupil (although this is very much dependant on interest and I cannot guarantee shared lessons).

Lesson fees will be charged on a half termly basis. The first Spring term is 5 weeks and will therefore be £50 for 1:1 lessons (£25 if shared). Following that, lessons will be £60 (£30 if shared) for six lessons as per the weeks in a half term (if there are seven weeks, the seventh lesson will be free of charge).

Lessons will begin on Monday 8<sup>th</sup> January. Please complete the slip below and return to the office no later than Friday 5<sup>th</sup> January so I can arrange the timetable.

I am really looking forward to teaching the instrumental lessons.

Thank you,

Mrs G Harris
