Wednesday 8<sup>th</sup> February 2017,

Dear Parent/Carer,

**Internet Safety Workshop**

**Does it ever worry you when your child is on the Internet?  
Are you aware of the dangers that lurk there?  
Do you know the best ways to keep your child safe?  
Would you like to find out more to help you to ensure that they are safe?**

If you have ever been concerned about any of the above then we have the answer for you. On Tuesday 28<sup>th</sup> February we have an ICT and Internet safety expert from Lincolnshire County Council coming to run a workshop for parents. The session will last approximately 30 - 45 minutes and will give you tips and advice on how to keep your child safe when they are using the Internet at home.

If you would like to attend and make sure that you are up to date with all of the ways in which you can help to ensure that your child remains safe online please join us on 28<sup>th</sup> Feb at 2.30pm. The session will finish in time for you to collect your children at the end of the school day.

Please complete the reply slip below and return it to school office before the Friday 24<sup>th</sup> February if you will be attending. We hope to see lots of you there and hope that you value this offer to help you to protect your children in the best possible ways.

Yours sincerely

Miss C Willows
