

Dear Parents/Guardians,

On the date of the Sutton St James Summer Fair (Sat 16<sup>th</sup> June) the JPCSOs will be holding a stall all about bike security. The stall will have a very limited quantity of LED cycle lights, which will cost £4.00 and there will also be some free-of-charge bike security kits which include UV marker pens; the JPCSOs will be on hand to tell you all about these. If you would like to bring your bike along, the JPCSOs will help you to mark it.

From the JPCSOs.
