### **JRSO Competition**

Dear Parents

Since the weather is getting nicer a lot of you might be out on your bikes. The JRSO's thought it would be a good idea to launch another competition, this time about helmets.

It is so important to wear your helmet when riding your bike, to prevent yourself from any possible head injuries. Most of the time you will be safe, but on the odd occasion when you do fall off, you might hit your head. If you do hit your head, then you could damage your skull or brain, potentially affecting you later in life.

You will receive a picture of a girl wearing quite a boring bicycle helmet, and it is your job to make it as bright as possible! You can use anything from glitter to crayons to obtain the desired effect.

All entries must be handed in by **Tuesday May 2<sup>nd</sup> 2017**. There will be a mystery prize for each key-stage.

Hope you have fun and remember to wear your helmets!

Yours sincerely

Jessica Smith, Penny Harper, Skye Valderas & George Lenton
