1st March 2016

Dear Parents,

Fiction Library Opening - Friday 4th March, 11am

Thanks to the generosity of some parents and the PTA we have achieved our goal of opening the fiction section of the library at Sutton St James School. The children have been using the facility for a few weeks and are thoroughly enjoying the vast range of books on offer.

Year 5 and 6 children have been trained as librarians and they open and run the library each lunch time and after school on a Friday afternoon. They take great pride in the library and make sure that it is neat and tidy at all times.

This Friday is World Book Day and we felt that this would be the perfect time to have the official opening of the library facility. Mrs Christine Hanson owner of Bookmark in Spalding will officially be opening our fiction section of the library at 11am in front of the School Council, School Librarians and parents. If you would like to attend this opening please feel free to come along to school for 11am or pop out from your child's classroom if you are already here for World Book Day.

We look forward to seeing lots of you at the official opening on Friday at 11am. Thank you again for your support and generous donations to the library.

Yours sincerely

Miss Claire Willows
