10th March 2017

Dear Parent,

Magna Science Adventure Centre – Tuesday 28th March

To enhance the children's learning in science this year we will be visiting Magna which is an interactive Science Museum for children at Rotherham on Tuesday 28th March. The visit will include all children in the school and all staff hence the school will be closed during the school day. The coaches, provided by Croyleys Transport, will be leaving school at 7.45am and we will return to school at approximately 5 – 5.30pm depending on traffic. Children will need to arrive at school at 7.30 to allow registers to be taken, toilets to be visited and for children to make their way to the coaches.

Magna is an amazing place with many hands on, interactive activities for the children to have a go at as well as having many informative displays etc. The children will learn many different scientific concepts. All of Wrens and Swallows children will take part in a workshop called The Kitchen Sink Show which takes the children on a journey around the kitchen and opens us a world of science fun. It's a curious, messy, slimy world full of materials and objects of everyday life. Owls and Herons children will take part in a workshop called 'Who Shot?' where they will turn detective, study the crime scene, gather evidence and figure out who shot... This workshop introduces pupils to some simple forensic science techniques such as chromatography, blood splatter patterns, fibres and fingerprints. If you would like to find out more about Magna please take a look at their fantastic website at <https://www.visitmagna.co.uk/>.

The total cost of the visit of £1462, has been covered by donations from local charities who Mrs Jane Spriggs approached on the schools behalf. The charities that have very generously donated are Sutton St Edmund Poor's Charity, South Holland Discretionary Fund (courtesy of Councillor Michael Seymour) and Sutton St James United Charities.

The children will need to wear full school uniform. A packed lunch will be required, together with a snack, to be eaten on arrival – glass bottles and fizzy drinks should not be sent. **Please remember not to order a hot school meal for this day from Country Kitchen.**

Whilst we do appreciate that the children will want to bring things along for the journey it is important that they **do not** bring valuable items such as electronic games - a book or a comic will be sufficient for the journey. **The children must take full responsibility for looking after items which they bring.**

The children **will not** need mobile phones, cameras or money for the visit.

If your child suffers from travel sickness please ensure that you give them the appropriate medication before leaving home and provide medication for the journey home – to be given to your child's class teacher in a clearly labelled envelope with their name, the quantity to be taken, how to be administered (chewed, with water etc) and the time before travelling to be given to the child.

We look forward to, and thank you in advance for your support of this visit. I would like to take this opportunity on behalf of the school, staff and all of the children to thank the charities that have made this visit possible and to thank Jane Spriggs for approaching the charities on our behalf to raise the money. I am sure that all of the parents will join me in thanking everybody.

Yours sincerely,

Miss Claire Willows
Headteacher

Magna, Rotherham – Tuesday 28th March

I give permission for my child, _____, to attend
the visit to Magna on Tuesday 28th March 2017.

Signed Parent/Carer

Please provide an up-to-date emergency _____
telephone number for the day of the visit:

(Please complete and return this permission slip by **Friday 17th March 2017**)
