12th July 2016,

Dear Parents,

Parent Survey Results and Response

Firstly I would like to say a huge thank you to the parents who completed the Parent Questionnaire sent out earlier this term. We had 22 responses. It is very helpful when parents respond as this helps us to understand your perception of the school - its strengths and weaknesses. This enables us to respond to your views making changes where necessary to ensure that you are happy with the school and the provision it makes for your children.

The responses were very positive and the comments made were very helpful. Please find attached a summary of the 22 replies and the comments made, alongside the schools responses to these questions.

Once again I thank everybody that took time to complete and return the questionnaire - it is with your support that we are able to further improve the school in ways that you wish to see to make your child's education as positive as possible.

Yours sincerely

Miss Claire Willows
