Headteacher: Miss Claire Willows

Tuesday 12th April 2016,

Dear Parents,

Parents Workshops – Maths and English

As you are aware from the Governor and School Newsletters at the end of last term we will be running a series of workshops for parents to attend to help them to understand what is expected of the children throughout the school and the methods that we use to teach them now following the implementation of the new curriculum.

The workshops will be very informal and a chance for you to find out what your child is being taught in school so that you are fully able to compliment this when helping them with their homework.

It is not expected that children will attend but if you are struggling to find childcare please speak to Miss Willows as close proximity **unsupervised** provision may be available (DVD in the room next to the workshop).

Refreshments will be served at the workshops and hand-outs given for you to take away to keep as prompts for future reference.

If you have any questions about the workshops please do not hesitate to come in and speak to Miss Willows.

Using the feedback sent in response to the Governors newsletter the workshops will run as follows:-

Subject	Date	Time	Workshop Focus
Maths	Tuesday 19 th April	6 – 7pm	Calculations – addition, subtraction, multiplication and division
Maths	Tuesday 4 th May	6 – 7pm	Shape, space, measures, fractions, decimals and percentages
Reading	Tuesday 14 th June	6 – 7pm	Phonics, Types of comprehension question, example questions and responses
Writing	Tuesday 28 th June	6 – 7pm	VCOP (Vocabulary, Connectives, Openers and Punctuation), Glossary of Grammar terminology with examples, writing examples

If you would like to attend any of the workshops please sign up for them below and return the reply slip to the school office by **Monday 18th April**.

We look forward to seeing lots of you there to work with us to help to enhance your child's education.

Yours sincerely

Miss C Willows
Headteacher

Parents Workshops – Maths and English
