Questionnaire to help Improve School

Dear Parents,

Your views are important to us and we would like your help in moving the school forwards by answering the following questions about the school extra-curricular activities.

We have recently asked you about your views about the school and its work in educating your child and the curriculum. This questionnaire concentrates on other areas and we would really appreciate your views about the things covered in it to help us improve the school, what it does and what you would like to see change/improve.

Please return your completed questionnaires to school by Friday 15th January. Thank you in anticipation of your completion of the questionnaire in taking the school forwards and seeing improvements that you would like.

Yours sincerely

Miss C Willows
Headteacher
