21st April 2017

Dear Parents,

Race for Life Event – Friday 19th May

Our school is holding its very own Race For Life Event for Cancer Research UK and we would love for all children and their parents to join in the fun. When we took part in the Race for Life Event two years ago it was a huge success, raising lots of money for this very worthwhile cause. We hope that we can be as successful again this year.

Our pupils are the generation that could see ground breaking treatments and cures for cancer in their lifetime. They are the young warriors who could be the researchers and lifesavers of tomorrow. By taking part in Race for Life and uniting together against cancer, they will be doing something really special.

All children and staff will be completing 10 laps of the school field on the afternoon of Friday 19th May (weather permitting), and we hope that you support your child by asking your family and friends to sponsor them to help raise as much money as possible for this charity.

Please find attached a sponsor form which should be returned to school with the money collected by Friday 9th June. It is important that you return the sponsor form with the money so that these can be sent back for Cancer Research to claim any gift aid contributions.

Parents/family members are also very welcome to join us and raise even more money for this worthwhile cause – please ask for a sponsor form if you are interested!

You can run, jog or walk – it really doesn't matter how long it takes, just complete the 10 laps!

Together we will be an unstoppable force against cancer!

Thank you for your support.
Yours sincerely

Miss C Willows
