Dear Parents,

Unique Roller-skating Opportunity!

We are delighted to offer your children a very rare and exciting opportunity at school on Friday 15th July – we are having an synthetic roller skating rink set up and all children will have a go at the sport of roller skating. Roller skates will be provided. The rink is being hired from a local company called Leisure Skate who have a website if you would like to find out more about the rink and skating on it. Each class will have a half an hour session on the rink, during the afternoon free of charge, which will be set up outside on the playground or in the school hall (depending on the weather) to practice and develop a new skill.

Would you like to have a go?!

In addition to this we are delighted to be able to offer you the opportunity to bring along your family and friends after school to have a go at roller skating for the small charge of £3.00 per person. This charge includes skate hire. A maximum of 25 people are allowed on the rink at a time so you will be timetabled for a 30 minute time slot which you can request on the reply slip below.

There will also be a bouncy castle and BBQ / refreshments at school being run by the PTA and any funds raised will go towards the hire of the roller skating rink, with the remainder being donated to the school to purchase new books for the library. So whether an experienced skater or a novice come along and bring your family for this extra special opportunity!

If you would like to bring your family and friends along, please complete the reply slip below with 3 choices of time slot in order of preference, and send it along with the required payment (£3 per person) to the school office as soon as possible to avoid disappointment and to ensure that you get your preferred time slot.

After the 8th July, if there are sufficient spaces left this opportunity will also be opened up to the local community to book a time slot so make sure you have booked your places before then.

Thank you in anticipation of your support.
