Wednesday 13<sup>th</sup> April 2016

Dear Parents,

**Fruit Pots Sale – Monday 18<sup>th</sup> April 2016**

As you know, in the past, the School Council has sold slices of pizza at break time on the first Monday of each term to raise money to buy resources that the children would like.

However, following the new healthy snacks initiative that school has introduced this term, we have also changed our sale to be in line with this and instead of selling slices of pizza we will be selling delicious fresh fruit pots like the ones in the pictures below. The children will be allowed to select the fruit that they would like to fill their pots with (some more popular fruits e.g. strawberries will be limited to 2 per person) to create a delicious snack for break time!

The sale will continue to take place on the first Monday of each term so our first Fruit Pot Sale will be on Monday 18<sup>th</sup> April at break. The cost of a pot of fruit will be 50p and children will be allowed to buy one each.

We hope that lots of the children will support us and enjoy building and eating their own delicious fruit pot.

Yours sincerely

Emma and Ella
