27<sup>th</sup> May 2016,

Dear Parents,

### **Standards Week**

It is easy to let things slip – I'm sure that we have all started a week saying 'I'm going to eat healthily this week' and by the Thursday or Friday the occasional delicious unhealthy treat has slipped into our mouths! That is the same as school...we start the year with high standards, doing what is expected of us, but as the year progresses these expectations get forgotten and standards slip.

Therefore, the first week back after the holiday will be standards week in school for everybody. We will be encouraging everybody, children and staff, to raise their standards and ensure that they are meeting expectations.

This will include all aspects of school life; behaviour, presentation and effort in work, appearance and manners.

On the Monday morning we will have an assembly for all of the children when they will be reminded of expectations for all aspects of school life and so that everybody is aware of what is expected of them.

The children will then be awarded points during the during the days for having high standards and this will equate to extra playtime for them depending on how many points they have earned each day.

We hope that by focusing everybody's attention on our expectations we will ensure high standards around school and that this will continue for the rest of term.

Please support your child in this by ensuring that they are wearing the correct uniform and by making sure that they have everything in school that they need to, for example PE kit.

Yours sincerely

Miss C Willows  
Headteacher
