Dear Parents,

We have been notified today of an incident where a primary aged girl in Holbeach was followed on her way to school by a white male with brown hair, wearing a leather jacket and gloves, asking her for information about herself. Please take the opportunity to talk to your children about not talking to strangers or giving out any personal information such as addresses, names or telephone numbers. Ensure that your child knows what to do if they are approached by a stranger to keep themselves safe.

The girl very sensibly did not answer the male and arrived safely at school. Police have been informed of this incident. It is essential that children understand that if any incident of this nature happens to them it is important that they tell an adult as soon as possible.

We have spoken in school to Owls and Herons children but would appreciate if you could all talk to your children about keeping themselves safe.

Yours sincerely

Miss C Willows
