Offer of Support

Dear Parent,

As a small village school we would like to offer support to the parents of children who attend here. We have been trying to run a coffee morning for parents, on the first Tuesday of each month. Attendance at this has been poor, no doubt for a variety of reasons and it is not feasible to continue with this if it is not going to be of benefit to you.

In the light of the aforementioned, we are coming to you for ideas! We could:

- Offer some time on a 1:1 basis, one Tuesday morning each month
- Have a coffee morning once or twice a term and invite someone in to talk from the wider support services
- Meet with parents and children to discuss issues of behaviour at home/school

These are just the ideas that we were able to come up with but we would be very happy to consider any other ideas that you may like to offer on ways in which we can support you.

Everything discussed at any of these forums would be treated in confidence.

Please complete and return the slip below, by Friday 23rd September, to help us to understand your needs and the best way that we can support you and your child in school.

Thank you.

Yours sincerely,

Miss C Willows
