

# WE'LL MEET

# AGAIN

"We enjoyed a Pudsey Treasure Hunt, searching for Pudsey Bears in our House colours."

Lucie

"I enjoyed the Christmas Dinner as I felt like I was in a real restaurant. I liked sitting with all my friends."

Joseph

In Herons we have taken part in many interesting and exciting activities. We studied World War Two and much of our reading and writing was based on this. We enjoyed a trip to the Pantomime and even travelled back in time to be 1940 evacuees!

"Halloween Games - we had lots of fun before Halloween. One game we played was where we had flour made into a flour cake. We took it in turns to cut pieces of the cake away and the person who made the chocolate fall had to get it with their teeth. YUM!"

Lucy

"I liked the pantomime because it was really funny when Buttons teased the Ugly Sisters."

Joshua

"Carol singing was really good. The parents enjoyed it and we got lots of donations."

Chelsea

"The Christmas dinner organised by the staff members was lovely. I really enjoyed the turkey and the chocolate pudding."

Chelsea

"I enjoyed the Spot The Talent Show. There were some cool acts such as Will's robot dance and Gregory's comedy act that took first place."

Ben

"Before Christmas I learned many facts and skills, my favourite bit was when we learned about World War Two. I liked it because it was very interesting. We went on a trip to Stibbington, weirdly it felt like I was in World War Two and I had travelled back in time."

Emma

"I like school because I really enjoy silent reading. There's this outstanding book I'm reading written by Anthony Horowitz called Scorpio and I can't wait to finish it."

Will

"When we played the flour cake game it was nerve-racking because you had to be so careful. I never got the chocolate, but Mrs Folds got covered in flour."

Seth

"I enjoyed watching the pantomime with friends. It was an unforgettable day. Lots of fun and humour."

Ben
