# Africa

This term in Swallows, we have had a fantastic experience. Not only did we have a visit from some animals that came into our classroom, but we also were lucky enough to have the opportunity to go on a trip to Whipsnade Zoo.

We started the term with a Big Bang, and the children really enjoyed visiting 4 different continents all in one day! Since then the children have tasted different African fruits, made Banana pancakes, dressed as their favourite characters for World Book Day, performed African drumming routines and the story of Handa's surprise, as well as having enough time and energy to create some fantastic work.

I enjoyed the zoo because there were Lions there, and they are my favourite animal - George
